Please refer to By-Laws for a full explanation of registration requirements

- In order to register your pony with the ASPR the owner MUST be a current financial member of the ASPR
- Maximum height of pony is 148 cms or under (without shoes)
- Where a complaint is lodged with the Registry about the height of a pony, and a valid measurement certificate (from Equestrian Australia, a Show Horse Council or Royal Agricultural Society) cannot be produced to verify the height, the Registry may suspend the pony's registration until such time as a valid measurement certificate is supplied.)
- All entires aged 3 years and over must supply a DNA profile. DNA kits available by contacting the ASPR Federal Registrar below.
- Non-Assessed ponies may be registered from birth
- Ponies aged 3 years and over applying for non-assessed registration or assessment for Premium Grading must be microchipped.
- Following approval of this registration application, entry into the ASPR Annual High Point and Roll of Merit Awards is automatic.

**Cheques to be made payable to the Australian Sports Pony Registry Inc.
and forwarded to :
ASPR Inc., Federal Registrar, P.O. Box 594, Echuca. Vic. 3564**

Please ensure you have included the following with your registration application :

- Proof of breeding for known pedigree ie: stallion service certificate or copies of other organisation registration certificates.

I/We hereby declare that the above named animal is the bona-fide property of the owner/s as named and that the description of said animal is true and correct.

I/We agree to the publication of Premium Grading assessment scores and I/We agree that said assessment scores remain the property of the Australian Sports Pony Registry Inc.

SAMPLE OUTLINE DIAGRAM

Black ball point pen must be used to indicate all markings.

- All white markings with underlying pink skin must be included. Do NOT colour in white markings. Indicate outline only.
- If there is no pink skin underlying a white marking, indicate with light hatching.
- If hoof is parti coloured (black and white), colour in black part of hoof
- Large white patches on broken coloured (paint/pinto) horses should be lightly hatched in to differentiate them from other patches.
- Mark all whorls with an X. If the whorl is elongated, show a continuous line from the X eg: X——
- Indicate Prophets Thumb mark with a small triangle.
- Indicate permanent scars with an arrow pointing to the location of the scar. eg: ←
- Indicate flecking with light hatching
- Include all brands
